Wanted by the Revere Police Department

When Gary COULANGES was fired from his job at a local nightclub, he vowed revenge. On January 21, 2012, he allegedly made good on his threats when he and an accomplice targeted a specific employee. COULANGES and the accomplice, who were both heavily armed, located the individual driving in a vehicle with a second person. They drove their pickup truck at a high rate of speed and slammed into the front of their target vehicle. With the car disabled, COULANGES approached and brutally beat both occupants with the butt of a Rifle. COULANGES then abducted the nightclub employee and drove off. As they left the scene, COULANGES attempted to put a bag over the kidnapped and brutally beaten victim's head. Fearing COULANGES was about to kill him, the victim jumped out of the moving vehicle and was able to escape on foot. Warrant number 1214CR000150 was issued for the immediate arrest of COULANGES. COULANGES is known to carry Firearms and should be considered Armed and Dangerous.
